

This PDF document is an updated note on the company. A comprehensive version of the report on the company, including this latest update, is available on [our website](#) and various professional platforms.

On May 6, 2021, Toyobo Co., Ltd. announced its capital participation in Glocal Deep Tech Fund.

The company has taken a stake in Glocal Deep Tech Fund, a venture capital fund run by Realtech Holdings Co., Ltd. The fund's initial recruitment of investors closed in March 2021 and raised ¥10 billion.

The fund started its activities in June 2020 with a goal of investing in local Realtech ventures. It aims to solve global issues and revitalize regional economies by assisting and accelerating start-ups with advanced technology, in cooperation with other participants, such as regional financial institutions and businesses.

Toyobo has been supporting domestic start-ups through such means as investing in Realtech Fund No. 1, one of Japan's biggest venture capital funds run by Realtech Holdings, in January 2016. As a member of Glocal Deep Tech Fund, Toyobo will gain access to information about start-ups that are highly compatible with its business fields and create business collaboration opportunities by utilizing Realtech Holdings' nationwide network.
